Sir:

In response to the Office Action mailed February 11, 2002,
please amend the above-captioned application as follows:

IN THE CLAIMS

Please amend the claims to read as follows (Exhibit I contains
a marked up version):

1. (Amended) A real estate transaction managing system
enabling a host to selectively provide rebate coupons to potential
buyers of real property, said system comprising:

at least one remote communications facility, and

a host system including (i) data storage means for maintaining
databases containing a plurality of data records of differing types
and chronologies, (ii) computer processing means for selecting data
records and transmitting said selected data records to said at
least one remote communications facility according to selection
criteria provided by said at least one remote communications
